

GBT series baby bath thermometer

Product Manual

FEATURES ///

- Wide range of temperature measurement: 0-80°C (32~178°F)
- High precision: ±1°C (±2°F)
- Quick response: 2S
- High and low temperature alarm
- Automatic water detection
- °C/°F switching display
- Automatic sleep
- Environmentally friendly and skin-friendly material (BPA-free)
- Long standby time (up to 6 months)
- The whole machine is waterproof

PARAMETERS ///

Pictures				
Product name	Little yellow duck	Octopus	Whale	Crab
Model	GBT116	GBT114	GBT113	GBT111
Temperature range	0-80°C (32~178°F)			
Accuracy	±1°C (±2°F)			
°C/°F switching	key switch			
Response time	2S			
High and low temperature alarm	High temperature: 37~40°C(99~104°F); Low temperature: 30°C(86°F)			
Indicator light	High temperature: red light flashing; Low temperature: blue light flashing			
Standby time	6 months			
Working hours	2~2.5months			
Auto sleep	Anhydrous environment: 15min; Water: 30min			
Battery	AG13(LR44)*2			
Product weight	71g	54g	55g	54g
Product gross weight	108g	89g	89g	88g
Package size	107*97*44mm			
Packing quantity	100PCS			
Carton size	510*235*450mm			
Carton gross weight	11kg	10kg	10kg	10kg
